

Live Blended Class Schedule

The best of both worlds!

Enrollment in the Homeschool Live Program will include up to 7 blended live courses, including 4 core courses and up to 3 additional courses that your student can select such as reading or electives. In addition, there is also a scheduled “meet up” time at the end of each week for lab presentations, virtual field trips, or other activities. This allows for the student to participate in promoting a true community of learning

1st Grade
